Brief Details.

On 22/1/2020 at 2310hrs, I was driving my vehicle registration number SJD4836P along Highland road without any obstacles when a vehicle registration plate number SKF2580S forced his way into my lane as there were vehicles parked along his side of the road. The said driver forced his way out and hit onto my vehicle's right side mirror and did not stopped to give way to my vehicle. Subsequently, we alighted and exchange particulars and moved off. On 23/1/2020 in the morning, I awoke and felt pain in my neck as such I went to see the doctor at access medical bedok south located at 59 New Upper Changi Road #01-1268 and was given 3 days of outpatient sick leave. I suffered from pain in the neck to the head. I had already reported the matter to my insurance company. I have in car camera. My entire right side mirror dropped out.
