Brief Details.

I am working as Private hire driver. At about 0242hrs i received a booking through my Grab app. The pickup location is at Blk 454 Sin Ming Ave. Upon reaching, I pickup a male passenger in his 20s at the said address. There was only 1 passenger that im fetching at that time. The drop off location was at Flora Drive. I then drove my vehicle SLH8042S towards Cte ave 1 n start entering the expressway. As i was travelling towards CTE(SLE) slip road into TPE(PIE) i came to a bend when suddenly i noticed a black medium sized item like a creature on the surface of the road. At a split seconds my rear tyre start to shake hard as i jammed the brake and the car swerved to the wall on the left of the road. The car airbags was activated and the car came to a stop. My car was facing the otherside of direction and my passenger and i quickly rushed to evacuate the vehicle. My passenger sustain some injuries to the face and his scalp while i did not sustain any injuries. A passerby stop his car on the shoulder of the expressway and help to call for assistance. Minutes later a police car came and help to assist on the road traffic. Then came the Aetos officer who took my particulars and statements. Minutes later then came the ambulance followed by the TP officers. My passenger then coveyed to SENGKANG general hospital when 2 hours later he informed me that he is fine and is not warded. After a while my vehicle was then towed by EMAS recovery team to Jalan Kayu open carpark. The TP officer escorted the vehicle to the carpark. The officer was asking for any sd card belonging to the vehicle's camera but unfortunately there wasn't any sd card inserted at the point of time. The TP officer then handed over my IC and my driving license and advised me to lodge a traffic accident report. Everyone left the carpark moments later. Hereby i wish to state that the item previously was actually a trash bag left on the road. That was when i try to avoid it when the car then swerved to the wall. I am driving at the regulated speed and also was aware of the surroundings. Passenger call and want this matter settled privately. Thanks
