Dear Sirs/Mdm,

ACCIDENT INVOLVING SJX 4250Z(AIG) AND GW 4307K ON 23/02/2020

We refer to the above matter.

Please be informed that third party repairer would like to do Direct Settlement with AIG for this matter instead of thru lawyer.

OI had lodged the accident report on 04/09/2020. We noticed that our driver reported that she had a failure of hand brake and the gear box become faulty while she was driving up slope. Therefore, her car rolled back and hit onto third party vehicle. Our insured/ driver is not aware that he/she need to lodge the accident report. Furthermore our insured had sold out his car on 12/06/2020.

Please advise if we may proceed DS with third party repairer in view of liability is not in our insured's favour.

Thank you.

Best Regards,
