Brief Details.

On 21/02/2020 at about 1830hrs I was driving my car (JRA195) along 9 Dempsey Road. There was a car (SMR5281Z) which was in front of my car. The car stopped and started to reverse towards my car. The car's rear then hit onto the front of my car. This caused the front of my car to sustain some cracks and the bumper to be detached. The other car had minor scratches.

I then pulled over and went out to engage with the driver of the other car. The driver did not stop and pulled over after a certain distance. I was angry and shouted at him. He then came over to me and asked me if everything was ok. He did not even apologise and claimed that he was unable to see clearly while he was reversing as his window was dark. We then exchanged particulars with him and left the scene.

I wish to state that I have vehicle camera in my car and I have the footage of the incident.

No one was injured. No government properties were damaged. No police and no ambulance were at scene.

I am lodging this report for record, claims and police investigation purposes.
