**Brief Details.**

On 7/3/2020 at about 2045hrs, I was riding along the third lane of West Coast Rd, heading towards Clementi West St 1. As I approached the cross junction, the traffic light was still green and was in my favor. There was a vehicle stopping at the opposite side of the road at the junction, waiting to turn right towards Clementi Ave 2. I then rode past the junction as it was my right of way. At this juncture while my motorcycle was still in the yellow box, the vehicle collided onto the front portion of my motorbike. I then fell over the roof of the vehicle and landed on the road. The driver of the vehicle then parked his vehicle at the side of the road and rendered me assistance. We then exchanged particulars and left the scene. I then called for towing service for my motorcycle to be towed to the workshop. The next day I proceeded to a clinic to seek medical treatment and was diagnosed hairline fracture on my right elbow. I also sustained swelling and abrasions on my right elbow as well.
