Dear Saliha,

We refer to the above matter.

It was reported by the Insured that he rear-ended TP vehicle. The impact caused his vehicle to swerved left and was collided by another vehicle travelling along the left lane. Please see below OI sketch plan.

We are of the view that BOLA 28(j) may be applicable where our Insured could be liable to both vehicles and a possible 2 TP claims against him.

28.	(j) New 	<p>B is 100% liable to both A and C</p> <p>C is 100% liable to D D is 100% liable to E</p> <p>Reason: To avoid costly litigation for collision damages</p>

Kindly confirm if no issue to policy and liability before we proceed for liability clearance and settlement in the future.

Thank you.

Best Regards,
