**Brief Details.**

In the morning of 20/02/2020, I left my home located at Block 157 Ang Mo Kio Avenue 4 04-542 (S560157) to leave for work, Fokker Services located at 1800 West Camp Road, Seletar Aerospace Dr, Park, 797521. I left my home at approximately 0815HRS, riding my bike, a Honda CBR 400 RR (Blue) - FL9208A. I followed my normal route to work, where I would pass by a major intersection - cross junction, located at Ang Mo Kio Avenue 5 by Ang Mo Kio Avenue 8.

At approximately 0830HRS I was riding on Ang Mo Kio Avenue 5 towards CTE approaching the major intersection stated above. I was riding on the second lane (from the left), I intended to ride straight while the green light was showing. I did not notice any vehicles in front of me as I was nearing the intersection. I was riding at a constant speed - at approximately 45KM/H, while ensuring clear passage through the junction. Since it was clear and it was my right of way, I did not stop nor slow down while proceeding through the junction.

However, when I was at the stop line, I noticed a navy blue sedan car turning right from the same road on the opposite side of the junction. He failed to give me way and obstructed my path by making the right turn. As the driver in the blue sedan was turning, he abruptly stopped right in my lane, approximately 15 meters ahead of me. As I was riding at 45KM/H, I tried to maneuver left, towards the front of the car - past the hood, to avoid the vehicle. However, as I was about to maneuver left, the driver of the blue sedan moved the vehicle forward. As the car was moving forward, I then quickly abandoned the maneuver and maintained my direction, straightening my bike in my lane - I did this to avoid the projected collision. However the car did not drive forward, it merely jerked forward.

Upon this realisation, it was by then too late to avoid the blue sedan. I then collided into the blue sedan at the front passenger side door. I believe I was flung away from the collision point. I was conscious and landed on my right arm, a passerby approached me informing me not to move. A few moments later, as I was attempting to remove my helmet, an LTA officer approached me advising me not to remove my helmet.

I was informed by a passerby to not worry and that an AB was called. There was a passerby(91376184) who reassured me while I was sprawled on the road, I requested for him to call my wife to inform him about the incident at 0840HRS. I also requested the blue sedan driver(90729613) to call my colleague Arif (91996902) at 0854HRS. AB arrived shortly after and after casualty
