Brief Details.

On 15/03/2020 at about 1010hrs, me and father were travelling along Loyang Avenue heading towards Tampines. I was from the middle lane and I had moved to the right lane as I wanted to turn right into TPE. When I was at the right lane, the vehicle, XE4017R, which was in front of me, did a sudden change of lane to the right. It hit onto the left side of my vehicle. It caused my vehicle to swerve off and hit onto the railing. My vehicle was stopped while on the road of the opposite direction. My vehicle was unable to move as there were many damages. We exchanged particulars and waited for the police.

Ambulance and Traffic police came to scene and no bodies were injured. However, my vehicle has been towed away. I was informed to lodge an accident traffic report.
