**Without Prejudice**

Dear Sirs/Mdm,

We refer to the above matter.

Based on the scene photo in your client's accident report, the position of your client's vehicle was slanted, hence we are of the view that our insured's statement is more credible.

In view of this, we regret to inform you that we have our principal instruction to reject your client's claim.

Thanks.

**"Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement.**

**In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement."**

***Note: We are on work from home arrangement. All correspondence should be made via email. Submission of claim related documents will be in softcopy. Any inconvenience caused is much regretted.***
