Brief Details.

On 17/03/2020 at about 1600hrs, I was driving my car (registration plate: SJQ9878S) along Bukit Batok Street 31. At that point of time, my car was in stationary waiting for traffic to clear to turn right into The Madeira Condominium located at 52 Bukit Batok St 31.

While I was accelerating to make a right turn, a motorcycle (registration plate: FBP6464Y) attempted to ride past on my right side. The rider hit onto my right side of the car.

I was not injured. However, the rider had a bruises on his left elbow area and left foot. Traffic police and ambulance came to scene shortly after. The rider received medical treatment at scene and was not conveyed. The traffic police didn't provide any case card to me.

My car has an in-car camera. I do not know if it was operating at that point of time.
