Report No. T/20200225/2034

CONTINUATION OF REPORT

Brief Details.

On 24/02/2020 at 2110hrs, I was driving my car a Silver Mercedes 350 with registration number SDE6969S at Lane 2 of Jurong Town Hall Road heading towards Boon Lay Way. It was a four lane road and traffic at that point was light.

As I was approaching the traffic light junction near to Genting Hotel ,Lamp post 114, I noticed that the light were Orange and I was preparing to stop. I approached the traffic light junction safely and it was Red. Not long after, I felt a hit at the back of the car.

There was a motorcycle with registration number JTS2509 did not manage to stop in time and hit the rear of my car. The driver lost control and fall to the roadside. I immediately went out of the car and went to assist him. I call 999 and 995 soon after. He said that his shoulder was in pain. A taxi driver came over from the rear and assist to call 995 for assistance.

The rear bumper of my car has scratches and the right rear light is broken. The motorcycle was then towed away. I do not have any in-vehicle camera. I did not exchange particulars with the motorcyclist.

Traffic Police and ambulance came to scene and the motorcyclist was subsequently conveyed to Ng Teng Fong Hospital.
