Brief Details.

On 22/03/2020 at about 1900hrs, while I was driving on Buangkok Drive after exiting from KPE. Upon coming to the Junction of Buangkok Drive and Punggol Road, I wanted to turn right towards Punggol Road. I was on the second turning lane, waiting to turn. I saw a oncoming truck as such I stopped and waited for it to clear. I paid more attention to the truck as the head light was not on. I saw that the rest of the vehicles were at a far distance. Right after the truck passed, I saw a clear traffic as such I turned. While almost finishing my turning, I was hit by a motorcycle on the right rear side. I stopped and came out of my vehicle and checked on the rider. The rider was conscious and able to speak. The rider was not bleeding and he seem fine. Police came and assisted, told me to move my vehicle to prevent congestions. The officers spoke to me and the rider, as such I could not speak to him.

Two ambulance came, they conveyed the rider and my wife to Sengkang General Hospital. I wish to state that I did not sustained any pain or injury. My family and helper who was with me in the car also did not sustain any injury. My wife did complain of pain on her left side of the neck and shoulder.
