Dear Jess and Mr Leong (Insured),

Third Party has submitted their video footage to us. (Refer to above attached).

Based on the video footage, Third Party has the right of way as he is travelling straight, however, Our Insured Mr Leong is turning right.

In view of above, we will proceed to settle with Third Party at best. On top of this, understand that the counter claim was unsuccessful as Third Party insurer was being rejected by Third Party insurer, M/S AXA.

Thanks

*Best Regards,*
