Dear Sirs/mdm,

Attached is a copy of video footage from third party for your easy reference.

From the video, we observe that our taxi was driving in front of third party with his right signal indication, third party should have seen our driver's intention. We are of the view that third party should bear some liability on this matter. We would like to propose 50/50.

Kindly let us have your instruction/comments in Merimen.

*Note: We are on work from home arrangement. All correspondence should be made via email. Submission of claim related documents will be in softcopy. Any inconvenience caused is much regretted.*
