Brief Details.

On 05/04/2020 at about 0100hrs, I had parked my van, bearing registration GBF238B, at lot number 23 along Lorong 15 Geylang, to went to the supermarket nearby. When I left the supermarket at 0145hrs, I realised that a car, bearing registration number SFZ3313U, that was parked behind my van had hit onto the rear side of my van. The car driver then approached me and informed me that earlier on there was another car that had hit onto his car and causing his car to hit onto my van. The other car had also hit onto some of the motorcycles that was parked nearby. The driver informed me that he had already called for the police. Traffic police then came to scene. There is a in car camera in my vehicle. Traffic police then told me to lodge a police report. The rear bumper of my van was damaged, causing the rear door to be faulty as well. The van belonged to my company, Otis Elevator Company Private Limited.
