Hi,

If your client is not willing to pay for the ACRA payment, pls advise if there is any document to show that the driver is the owner of vehicle? Or is there any company chop from your client?

Thanks.

Hi Mr Tan,

Please be informed that your client vehicle is registered under a company, company chop is required in Letter of Authority. However, you informed us that your client does not have a company chop as he is a sole proprietor. Therefore, we would require a copy of ACRA letter/ any supporting documents to show the driver is the owner of the vehicle.

Thank you for your kind understanding.
