Brief Details.

On 18/10/2018 at about 0745hrs, I was travelling along in my office car bearing the registration number SLA2103B along Clementi Avenue 6. I was heading to PIE but I missed the exit to PIE on the right as I was on the left lane so I ended end onto the slip road going to Toh Tuck Avenue. The slip road was heading to Toh Tuck Avenue. I was on the 2nd lane from the right on a 2 lane road. While I was along the slip road, suddenly I realized that there was car bearing the registration number SJS7163Z in front of me. I then applied my brakes but it was not enough to stop and prevent my car from hitting the car in front. The driver of the car in front mentioned that after I hit onto the rear of her car, she ended up hitting a car bearing the registration number SMC6416A (driver namely Ling Chin Chin, HP:81984278) in front of her. All of us got down and exchanged particulars and left the place. No one was injured during the accident. My car sustained some scratches at the bottom of the front bumper. The car SJS7163Z sustained a dent on her rear car.

I wish to state that there is a in built camera installed in my car but I am not sure if it is working or not. My vehicle is a government vehicle which belongs to CNB.
