**Brief Details.**

On the 13th April 2020 at about 2120hrs, I went to the MSCP of Blk 78A Telok Blangah St 32 to drive my car Toyota Prius that was parked at the ground level. My vehicle number is SLT8224X. I did my check around the vehicle and discovered that there was a dent on the left front and rear side of the car. I continued to drive the vehicle and saw that there was a note on my windscreen.

The note had a name and contact number namely Khaleed, 8751 1979. I called him and he informed that he is a witness of an incident that happened to my car. At about 1745hrs, he saw that there was a car that had reversed and hit onto my car. The driver was a lady and he went to tell the lady that she had knocked onto my car. However, she did not leave any name or contact number and left. Her vehicle number is SMH199P. The witness then left a note on my windscreen. He had also taken photo of the vehicle that hit onto my car. I do not know the cost of the repair and if there are any damages.
