Dear Ms. Norsiah,

We refer to the above matter.

Please be informed that our Insured's counter claim against TP workshop is successful on 100% basis. Our Insured Insured workshop confirmed via e-mail (as attached).

Insured's video shows Insured was moving to turn into main road but TP still proceeded to overtake to park in front of Insured. We are of the view that liability is down against TP.

As such, we propose to reject Third party's claim based on reasons above.

Your approval please.

Thank you.

Best Regards,
