Dear Bennie,

We refer to the subject matter.

Please be informed that we received email from Insured and was informed that the driver at the time of accident is currently uncontactable and that all relevant documents of the Hirer/Driver was in their office and unfortunately, they could not retrieve for filing of report due to COVID-19 Circuit Breaker in Singapore.

However, the Hirer had furnish a copy of the Police Report which states that they were not aware of the accident pending for Driver's confirmation and details. (please see attached emails).

For the time being, the Insured will hold on the matter.
