**Brief Details.**

On 21/04/2020 at about 7.25am, I was driving my vehicle bearing registration plate, SJA9288D, along Benoi Road. When I was reaching the junction of Benoi Road and Benoi Sector, the traffic light turned amber and I immediately applied my brake. Suddenly I felt a impact from the rear of my vehicle. A motorcycle bearing registration plate, JLE8475, had collided into my vehicle. I got down from my vehicle and saw that the rider had a cut on his forehead. I then called for the ambulance. Ambulance and traffic police came down to the scene. The rider was then conveyed by ambulance to NUH.

I wish to state that I have in car camera at the point of time.
