### **WENDY TRANSPORT ENTERPRISE CO** **[POLICY HOLDER]**

Dear Sir/Madam,

We refer to the above matter. We write to inform you that we are the loss adjuster appointed by your motor insurer, **Lonpac Insurance Bhd** to deal with the third party claim against your policy.

We are of the view that the third party's accident video shows slight contact between both vehicles at the 8sec to 9 sec mark of the video for the front facing camera video.

As such, we are of the view that there was slight contact with Third party vehicle which resulted in third party vehicle to hit the road kerb.

Also based on the accident report and accident scenario, we are of the view that liability is not in your favour as the driver that is changing lane should ensure proper lookout and ensure that it is safe to change lane. We will therefore proceed to negotiate for an amicable settlement with the Third Party.

Should you however wish to further discuss on the matter prior to our negotiations and settlement, please contact us within 10 days from the date of this letter.

Thank you.

Best Regards,

**Khanchna** | Case Handler

Hi Gerald,

Sorry for the late reply. Base on the video I did signal. Is him that kept driving the same speed as me despite my signaling plus he was in my blindspot how could I see him? He could have slowed or gave way. I didn't hit onto him. There was no impact on his driver side. (Right side)

Dear Sirs,

We attached the video footage from the driver of SJR6166C for your attention.

Based on the footage, we are of the opinion that we do not a good case to defend.

Best Regards

Gerald Poh
