I was going to get lunch from IMM when the incident happened at around 1330hrs. I was reversing into an empty lot, which was in between two taken lots. In the left of the empty lot, there was this looky with a mas supermarked trailey standing at the edge of her lot and loading her ar. Therefore, I had to give more turning space to avoid her on the left. However, & while I heversed in more to the right, I stightly knocked onto the vehicle parked on the right. That vehicle did not have anyone on it so, I waited awhite and the driver returned. We exchanged particulars and left to our respective worshops.
