**Brief details.**

On 06/01/2020, I rent a car from 'SG RentACar Pte Ltf' and has been driving the car bearing SLZ8698E since then. On 10/02/2020 at about 0830hrs, I was driving along AYE towards TUAS at lane 1. A Comfort Delgro Taxi bearing SH8254B, was in front of my vehicle when it jammed brake. I tried to brake as well but to no avail and had collided onto the rear portion of the taxi. As a result, my vehicle's front car bonnet was dented in, windscreen cracked and Air Bag was deployed.

CONTINUATION OF REPORT

Report No. D/20200212/2062

Both of us then came out of our vehicle and make sure no one had any injuries and we exchange particulars and drove off without taking any pictures of the damages. The reason being was that we were at lane 1 and we does not want to caused any congestion to the already Heavy Traffic Flow. Initially, I am in touch with the Taxi Driver to discuss whether to go for private settlement or insurance claim. He then quoted a \$700/- Private Settlement and that I will not be liable for anything else once the payment was done.

Subsequently the Taxi Driver namely Peter Wong (Contact:97670280) contacted me again in the afternoon and told me that if the passenger go for medical checkup, he will be in trouble hence, he suggest to switch to insurance claim instead and I agreed with insurance claim. I then called up to my Rental Company and told them about the accident and require towing service.

On 11/02/2020 in the evening time, I went down to the rental company and discuss with them about the matter and requested to lodge a report for Insurance claims. The Boss of the rental company asked me why the accident happens in the morning but only to report to them in the afternoon. I tried to explain it to the boss that the few hours lapse is because earlier on we were still deciding whether private settlement or insurance claim. He then told me that they will not proceed with the Insurance Claim. He said the vehicle will be due to scrap in 6 months time and that I will need to bear the full cost of the cost of damage value at \$10,000/-SGD and lost of income earnings value at \$7800/-SGD. In total, they wanted to claim from me \$17,800/-SGD. I then requested to go through Insurance claim but he refused.

On 12/02/2020 in the morning, I went down to IDAC which is located at 1007 Bukit Merah Lane 3 #01-11and wanted to make a report. However the staff told me that I am not allowed to lodge the report as it is a rental vehicle. The staff told me that I will only be able to lodge the report from IDAC if 1) I have proof of rental documents from the Rental Company with official company stamp with it, and 2) the Insurance company details, In which the rental company refuse to provide to me that insurance company details.

I wish to lodge this report for record purpose and that I will try to lodge a complaint with C.A.S.E Singapore about the matter. I do believes that I should be granted to opt for Insurance claim instead of bearing the full cost which the amount was ridiculous.

**Brief details.**

I am making this report to state that the Carplate number for the Comfort Delgro Taxi should be 'SH8254P' instead of 'SH8254B' which was keyed inside the initial report D/20200212/2002. I am lodging this report as the Insurance Company required a physical copy of the police report stating the correct carplate number. The report is for insurance company claiming purpose. That is all.
