Brief Details.

On 12/05/2020, at about 1302hrs, I was driving to Jurong East Ave 1; I wanted to make a right turn to Jurong East Ave 1. I was waiting at the junction for the green light for about one minute when the other vehicle (V2) hit onto my vehicle (V1) directly on the back. I then jerk forward and I felt a sprained on my neck. We then came down and made a check. My vehicle suffered a bend on the back of my vehicle while V2's front centre bumper dropped off. I have yet to make a check on my vehicle for other damages. We managed to exchange particulars. No ambulance was called, as I do not feel any need in calling emergency services. I have yet to receive any call from the party or his company.

I then went to Mount Alvernia Hospital and I was given five days MC as I sustained whiplash neck injury and rld sprain.

I am lodging this report for record and to claim for insurance purposes.
