**Brief details.**

On the above mentioned date and time, I was sitting at the driver seat of my van GBJ 9040Z, which was stationary at the loading/unloading bay below Block 140 Bedok North Street 2.

I was writing on some paper on my steering wheel as I had just completed some deliveries.

Suddenly, I felt a huge impact from my vehicle's rear right portion, causing my vehicle to shake violently

POLICE REPORT (NP299)

CONTINUATION OF REPORT

Report No. G/20200506/7020

My left elbow knocked against my vehicle's gear stick while my left knee knocked against my vehicle's dashboard as a result.

I oughted to realise that SMJ 2586G had reversed into my vehicle. The other party immediately apologised and admitted that he did not see me while reversing.

The next morning, I woke up and found my back muscles aching. As such, I went to my family doctor at Unirealth 24-Hr Jurong East for treatment for pain on my left elbow, left knee and back. I was given 3 days MC.
