... car park on 17 May 2020,
Sunday, at around 1345 hours

I am the vehicle driver of SMA2102S and while i was about to drive out from where i parked my car at Whampoa Hawker Centre car park lot on 17 May 2020, Sunday, at around 1345 hours, a taxi with name plate SHD 3362U drove across the front of my car without warning and did not stop. The car touched my car name plate and the logo in front of the car slightly. Lucky there is no damage to the name plate and logo of my car. I noticed only slight scratches to the left side of his car as the taxi drove across without stopping but no dent at all. Should i drive out and hit his car instead there will be dent at the left side of his car but in this case scratches because the taxi drove across the front of my car even though the driver saw i was driving out of the car park lot but did not stop his car and drive through the front of my car.
