Dear Sirs

RE: Accident at AMKH 25 May 2020 1900hrs

I, Abdul Rasiap, of NRIC No. 51282340/A, was the security guard at AMK Hub drop off point and taxi stand at the material time.

At around 1900hrs of 25 May 2020, I raised my hand and signalled to the driver of SHA6181X to stop and I directed SLJ6633P to move forward and right into the drop off/pick up point. The driver of SLJ6633P henceforth moved and side shifted into the pick up point at my instructions.

The taxi driver of SHA6181X moved forward ahead without my instructions and side swiped into the left side of SLJ6633P and caused damage the right side of SLJ6633P.
