Dear Jasper

The government rebate is given to all drivers thru the company and had nothing to do with the company rental.

Please see the below screenshot of the announcement by government.

As such, we propose to settle our claim as \$1,450 (all-in).

3. Of the \$120 million announced today, **\$78 million in Government funding will go towards the Special Relief Fund (SRF)**. The SRF helps active taxi and PHC drivers defray business costs through relief of \$300 per vehicle per month (i.e. \$10 per day). The SRF, which was to have ended in end May 2020, will now be extended to end September 2020. Over 40,000 drivers will qualify for the extended SRF. **Taxi operators have also pledged to continue providing matching rental rebates worth an additional \$25 million to their hirers.** Details on the eligibility criteria for the extended SRF and taxi operator rental rebates will be released later.
