Brief Details.

My vehicle SDF710E was parked overnight on the road just outside my house at 34 Springside Place, S 786437.

On the morning on May 19th 2020, at about 9 am, my husband noticed for the first time scratches on our right rear body of the vehicle, consistent with a rear end collision. See photos attached. the left side of the car is parked against the kerbside

We made observations of the vehicles around us but could not see any indications that one may have been involved in the collision with my vehicle. White paint marks are seen, suggesting a white vehicle being involved in the collision. There were no signs of damage seen on white vehicles in the vicinity - that has matching damage on its front left (when forward drive onto my vehicle) or rear right (reversing) We did not get any note left on my vehicle or in my letter box with information of who the driver was at the time of the incident. As such we believe this is a hit and run incident.

Thank you.
