Hi Mr Lim

This case, rear fender although dented, is repairable. Fender inner trim, rear bumper side retainer, rear bumper reflector all these items workshop will use back. Try not to allow for future cases.

Typically the repair cost for Altis rear damage up to end panel is around 4.5K to 5.5K.

This case, I have told Veron to submit accordingly. But need your help to be more strict for Team Auto Pro cases.

Thanks.

Best Regards,

**Bryan Ang**
