Circumstances of Accident

My car was in the last parking lot along Geylang Road (lot no. 22 after Lorong 21 around 349 Geylang Road) at night. As I was about to leave I reversed my car a little to make allowance in order to turn out of the lot. In the process I bumped into the car behind me. The car was not parked in a legal lot as there were double yellow lines (see attached picture) After which I waited a short while but realized the car was empty. I did not stay as I was not sure when the driver would return to his/her car. As the bump was not impactful there was no injured person/s or damaged property I decided to leave. I got home and inspected my car and found no damage to my car. I do believe it was a slight bump and would not have caused damage to either cars.
