WITHOUT PREJUDICE

Dear Kazali,

Liability unclear, kindly let us have the video footage.

Brief Details.

On 30/06/2020 at about 12pm. I was driving vehicle "SKC4878L" along Upper Thomson Road. The vehicle belonged to my boss. I had then stopped the vehicle before the stopping line at the junction of Upper Thomson Road as it was "Red" light. My vehicle was in lane 2. There was a total of 4 lanes for making right turn. The 2nd and 3rd lane were for going straight. The 4th lane was for going straight and turning left. There was a taxi "SHD3177M" stopped at the left side of my vehicle. On traffic light turned "Green" in colour, I started to move off. Before I could reach the centre of the junction, I heard a scratching sound coming from the left side of my vehicle. I turned my head to the left and saw the said taxi beside my vehicle. I noticed that the left side mirror of my vehicle was facing toward me. I then saw the right side mirror of the said taxi damaged. The mirror of the taxi was hanging on the side. After I had passed the junction, I had stopped my vehicle at the 1st lane which was the right lane. Both drivers alighted to check. No one was injured at that point of time. There was scratches on the cover of my vehicle left side mirror. The damaged of the taxi was the right side mirror hanging. I had spoken and the taxi driver claimed that I did not drive straight which was untrue.

Thank you.
