We refer to the above accident where we are acting for AIG Asia Pacific Insurance Pte Ltd to resolve the claim against you and/or your authorized driver under the Auto Insurance policy taken up with them.

We have received a claim from SMD 4848U against your motor insurance policy.

Based on the available information on hand, we are of the view that both parties should exercise caution when changing lanes. The case would be resolved at equal liability. Therefore, we will proceed to negotiate for an amicable settlement with third party claimant.

If you have evidence/information to proof that we should not settle the third party claim, kindly let us have them in writing within the next **7 days** i.e. by **02/12/2020** after we shall proceed with negotiation with Third Party claimant on the without prejudice basis and any settlement should not bind any claims whatsoever by you/your driver against the other party's insurer arising from this particular accident.

Please note that your No-Claim Discount (NCD) (if any) will be affected and reduced by 30% (20% for commercial vehicles) upon next renewal due to this Third Party claim. However, if your policy has a NCD protector feature, it will be deemed utilized for this claim and your NCD will be protected.
