Brief Details.

On the 12.04.2017 at about 0615hrs, my wife drove a car bearing plate JPX4074 (Nissan Livina) together with 4 other passengers including myself in 7-seater car. We left Singapore Custom to proceed our working place in Changi. While traveling along the 1st lane of 4 lanes of TPE towards Changi, we noticed that there are accidents occurred ahead of us. Subsequently, the front car (Black Toyota) jammed brake and my wife tried to swerve to her left (2nd lane) to prevent accident. Unfortunately, our car also hit the front car when swerved to the 2nd lane.
