Brief Details.

On 22/12/2019 at about 6.30pm, I was driving my vehicle from Garden By The Bay main carpark exiting towards the main road. I was filtering into a merging lane which leads to the main road. Another car from the right lane came from behind. I tried to check my mirror and I missed my blind spot. My car front bumper then collided into the other car left side middle part.

There is slight visible damage to my car front bumper, and my father assessed that the steering system might be damaged as well when he tried to drive the car to another safe location.

For the other car, there is slight dent on the left side of the car - middle part between both doors.

No one is injured. We exchanged particulars and left. No other property damaged.

That is all.
