### Brief Details.

On 14/07/20 at about 2330hrs, I was driving my saloon car SJT6108K, a grey color Nissan Sylphy and I was driving along PIE towards Tuas. I was travelling along lane 3 driving at a speed of 70-80km/hr when a car zoom past on lane 2 which kind of startled me. Reactively, I swerve my car to the left and thus, side swipe with the side railings of the expressway. LTA marshal and EMAS had attended to this case and I remembered clearly that there is no damages to the railing. I sent my car to IDAC today for insurance purposes and I was informed by IDAC personnel that a police report is required as I had side swipe onto government property and there may be damages to government property. That's all.
