Hi Veron,

No change in the marking of estimates.

Only difference is the MV is increased by 1k, thus making NV 1k up as well.

Therefore my recommended COR is \$5550.00 with 8 repair days.

I tried keying the amount in the views but didn't see any save or close button.
Do I hv to inform the IT dept of the change?

Regards,

Subject: Finalisation of SLH 939H

Hi Veron,

Team Autopro had just confirmed my recommended COR of \$5550.00 with 8 repair days.
As for the increased COR, I have already seek Bryan's approval.
I cannot key in the amount in the views. Should I ask IT to assist to key in or you can do it.

Thank you very much.
