Hi Kenny,

Attached is a copy of video footage from third party. Third party was turning right with green arrow. Third party had the right of way.

We have called and spoken to our driver, Mr Loh to verify the nature of accident. He mentioned that the traffic light was green for turning left only, not for going straight. He accidentally followed the truck on his left side to move and resulted the accident. He understand that liability is down against him.

Kindly advise if we may proceed DS with third party repairer. Thank you.
