Brief Details.

On 20/07/2020 at about 1215hrs, I driving my vehicle (SMK1699R) along with my passenger, Tony Low Khong Wei (NRIC: S1500644G, H/P: 96346041) on the X-junction of Tuas West Road towards Pioneer Road. I was travelling on a right lane signaling right, which was only allowed a right turn and subsequently when I was turning right across the junction, a van (GBB7825G) at the right side of the X-junction beat the red light and collided into my vehicle. The van collided onto the right side of my vehicle and subsequently our vehicles come to a stop and we both came out of our vehicle and accessed the damage.

I wish to state that due to the collision, I felt numbness at my right shoulder, right arm, tailbone and my right leg. I also felt shortness of breath, headache, disorientated and shock. The driver of van did not sustain any visible injuries too. After which the Traffic Police came down to the accident scene and subsequently I was conveyed by the ambulance to Ng Teng Fong Hospital. I was also given a police report number TP/IP/30495/2020 to reference when I lodge a police report. After getting discharged by the hospital, I was given a 7 days MC from 20/07/2020 to 26/07/2020.

I also wish to state that due to the collision, my vehicle was totally destroyed on the right side to the point that I have to exit the vehicle via the left side of my car.
