Dear Lydia,

We refer to our conversation earlier.

We understand that you would like to settle privately with third party. However, we are not able to advise the actual repair cost due to third party haven't done the repair. Furthermore, we have checked with our surveyor and advise that the repair cost is roughly \$25K - \$30K based on the damage and the model of third party vehicle. Therefore, we suggest you to let insurance to handle the claim due to the cost is very high.

Please let us know if you insisted to do the private settlement.

Thank you.
