We denied your proposal. Our hirer won't know that your motorcyclist have a letter that he can go against the traffic direction. Moreover, since the motorcyclist knew that he travelling against the traffic direction. He should have exercise extra care and give way to others traffic user. In Singapore everyone is using the same set of traffic rule.

We demand full liability from the motorcyclist instead of 50%.

Dear Bernard

We refer to the above matter.

OI not willing to settled at equal liability and stand very firm to seek legal assistance if necessary.

Our view was TP travelling against traffic flow and should take greater precaution when approaching the junction.

Road sign to public stated until 8.30am. Even if there is a confirmation letter from JTC to TP to continue after 8.30am but there is no signboard or person in duty at the location to clear vehicles after 8.30am.

Therefore, we are of the view that OI is not liable for the accident.

Kindly let us have your instruction to reject TP's claim.

Thank you.

We refer to the above matter.

We have reviewed the matter again and our view was your client, travelling against traffic flow should take greater precaution when approaching the junction.

Therefore, we are of the view that our insured is not liable for the accident.

In view of the above, we regret to inform you that we have our principal instruction to deny liability and unable to look into your client's matter.

Thank you.
