Brief Details.

On the 14th February at about 0250hrs, I was driving my company tipper lorry XB8506K along East Coast Expressway from Xilin Avenue towards fort road. I was driving to Marina East drive to unload some soil for the staging ground for dumping. As I was driving along the outer most left side lane when I felt a hit to the rear right side of my lorry. I quickly came out to see and saw that SJV512J had collided with my lorry and thereafter hit onto the right side metal divider at the expressway. EMAS arrived and called for ambulance and the traffic police. The paramedics made a check on the both of us and we suffered no injuries. The driver of the car did not want to be conveyed to hospital. Traffic police came shortly after informed us to lodge a police report vide G/20200214/0060. The damages to my lorry was a damaged right side mud guard, tire and rims. The car that collided my lorry was totally damaged due to the impact of hitting the metal divider. My lorry is fitted with a in car cam which might have captured the accident.
