Hi Mr Lim

Please review item 9, 19, 26, 29, 34.

Special nett item 4, 20.

The total labour and spray painting for front and back is a bit high. For example, spray painting front 800/- rear 1200/- total is 2000/-, which is almost the price to spray a whole car. For me, even if workshop open separately, I will still consider the total for labour and spray painting.

Thanks.

Best Regards,

Bryan Ang
