Brief Details.

On the above date and time, I was driving along mandai road and when I saw the traffic light turning red I slowed down and manage to stop in time. Suddenly , I heard a loud bang at the rear of my vehicle, I quickly get down the van and make a check. My rear door was dented and can't be open after the accident and we both took a picture of the damage and exchange particulars. Shortly after that we left the scene.

My vehicle have in car camera but it doesn't have memory card inside and I think it's not working.
