Dear Mr Kumaran,

Enclosed here with the scene photos provided by third party for your perusal.

We have reviewed the matter and based on the circumstances of accident, we are of the opinion that the case most likely would be settled at equal liability as both parties were cutting lane. Third party's front right tyre slightly turning right but our vehicle's position also not within the lane. As such, without further delay as Third Party may forward the case to the solicitors which will escalate the cost, we will be proceeding to negotiate and settle the third party claim if we do not receive your advice by 19/01/2015.

We wish to stress that our offer of settlement is strictly made on a without prejudice basis with a view to close this matter amicably.

Please note that your No-Claim Discount (NCD) (if any) will be affected and reduced by 30% (20% for commercial vehicles) upon next renewal due to this Third Party claim. However, if your policy has a NCD protector feature, it will be deemed utilized for this claim and your NCD will be protected.

Please call us if you have any queries.
