Brief Details.

On 14/03/2019 at about 3.45pm, I was driving my company's bus JSM7 when I was involved in an accident. There was about 30 passengers inside my bus. At that point of time, I was travelling on the 3rd lane of SLE towards Woodlands when a lorry, GW1756S swerved out to 2nd lane to avoid a motorcycle (unknown registration plate number). I then followed the lorry to avoid the same motorcycle and travel on the 2nd lane. Suddenly, the same lorry which was driving in front of me applied emergency brakes. I could not stop or change lane on time to avoid and hit onto the rear side of the said lorry. Another bus from my same company WMW8901 which was driving at the back then collided onto the rear side of my bus. I then went out of my bus to check the condition of my bus and also to check on the other drivers. I then discovered that the driver of the other bus was injured. Then an ambulance came to the scene to convey the driver. There was no injuries reported from my passengers. I did not sustain any injuries during the accident. I am lodging this as advised by the traffic police whom attended to my accident reference number F/20190314/0094.
