**Brief Details.**

On 06/08/2020 I was travelling on Bedok North Road towards Bedok North Ave 1 on the second lane near bus stop B02. I had come to a stop as the vehicle in front of me was stationary. Subsequently I felt an impact from the rear. As such I came out of my vehicle to make a check. I then noticed a white Hyundai (SJR7855D) had knocked onto the rear of my vehicle. I noticed that the rear bumper of my car is dented and the rear boot is unable to close properly.

We then exchanged particulars and contact number. We also took photos of the accident.

I then went home and I then felt pain and numbness on my chest, right shoulder, right wrist, right side of my back and right side of my neck. However as it was late at night I did not see a doctor. On 07/08/2020 I went to see a doctor at about 1100Hrs at Sin Min Clinic and was given an MC of seven days. As such I am lodging this report for insurance purposes.
