Dear Gerald,

We refer to your email dated 12 August 2020.

We are in the view that based on the scene photos, insured 's vehicle is in his own lane which commensurate with his versions of the accident. TP vehicle overtook our insured vehicle which was moving and kept too close to our insured vehicle causing the collision.

Hence , we seek your approval to reject the case.

Thanks

Dear Denise,

We understand that you are the case handler for the claim.

We attached a copy of our insured's accident report for your attention.

Kindly assess liability before proceeding with Direct Settlement as we are of the view that our insured is not liable for the accident.

Based on the scene photos, you would note that our insured's vehicle is in his own lane which commensurates with his versions of the accident.

Furthermore, the third party vehicle was in the middle of the white line and was behind our insured vehicle.

If there is a need to engage our insured, please proceed to do so.

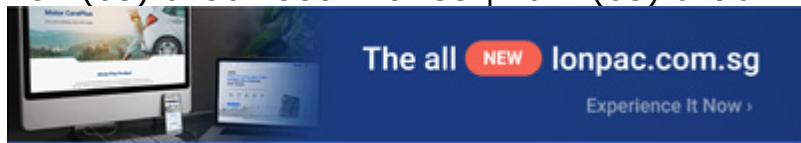

Best Regards
