Brief Details.

On 07/08/2020 at about 1115hrs, I parked my vehicle SLP1185S at the above mentioned incident location with everything intact and in order.

On same day at about 1300hrs, when I went back to my vehicle I discovered a slight dent and scratches on the front right portion bumper of my vehicle. No note was left behind hence I went back home to retrieve the footage from my in-vehicle camera. The footage shows that on 07/08/2020 at about 1122hrs a vehicle SBW1788J while doing a reverse parking to the right side of my vehicle, had collided onto my vehicle causing the above mentioned damages. The driver of SBW1788J then drove off on the same day at about 1125hrs, without getting out of the vehicle to make a check or leaving a note of his particulars.

Subsequently I went to the workshop to process for the insurance claims and was advised to lodge a police report. No one was in the vehicle and no one was injured.

I am lodging this police report for insurance claims as advised.
